

# Combo Dance Information

## Dances age 4-5

### *Welcome to the Academy of Dance!*

Thank you for your interest in Combo Dance! We're so excited to welcome your dancer to our AOD family.

### What is Combo Dance?

Combo Dance is a fun and engaging 55-minute weekly class that introduces dancers to:

- Tap
- Ballet
- Jazz
- Acro
- Creative Movement

Our dancers also practice important life skills such as:

- Coordination & motor skills
- Taking turns & following directions
- Respecting themselves and others
- Socializing with peers

This is a **non-parent participation** class. Dancers enter and exit independently through a designated door (assigned upon registration), similar to preschool or daycare drop-off and pick-up.
